

Emergency Assistance Resources for Local Residents

Pleasant Hill Presbyterian Church recognizes that our neighbors' needs are often many. We offer our support through the organizations listed below. The Lil' Pantry at the front of our parking lot is also shared: *take what you need; leave what you can*. If you would like spiritual support and/or someone to pray with you, please ring the doorbell. Know that **you are loved**, and we would like for you to join us in fellowship and worship in person or online on Sundays at 10am.
